### About Us

Democrus is a non-profit, independent organization dedicated to empowering voters with up-to-date information on what's happening in Congress. We believe reliable, accessible, and objective information is the key to being meaningfully involved in the system that represents the people.

### Our Mission

While a majority of U.S. citizens believe that exercising their right to vote is essential to being a good citizen, voter turnout rates in both general and midterm elections have been [trending downward for the past 30 years](#). Our mission is to turn this trend around by empowering people with easily accessible political information. This accessible, objective information gives people a transparent look into the policies that affect their day-to-day lives.

### How it Works

Democrus is powered by the [non-profit ProPublica Congress API](#) which provides daily-updated legislative data straight from Congress. This means that the information you'll find here is guaranteed to be accurate, up-to-date, and 100% objective. To get the most out of Democrus, sign up for an account and follow any legislator, bill, or committee for updates on their activity.
